EMPOWER PEOPLE is a Non Government Organization, registered under Society Registration Act, 1860 and also with 80 G and 12 A of Income Tax Act 1961.

The Organization is working with different sections of the community for overall socio- economic upliftment of unprivileged section of our society. however, its prime focus is on women related issues such as **Women trafficking (bride trafficking to be precise, honor crimes against women, Domestic Violence and on various other similar concerned issues.**

The organization which had been started by a few dedicated activist, gradually has been able to make its presence felt in various states of India - in the form and shape of a GRASS ROOT SOCIAL MOVEMENT. In the process, it has collaborated with various Community Based Organizations, Activists working on individual levels, as well as other groups to curb this menace at the grass root level in those regions.

We as an organization are dedicated to achieve our goal i.e., to provide LIFE OF DIGNITY to people belonging to unprivileged section within our own society by empowering them socially, economically and politically with the collective effort of ours as well as yours.
